Drug Facts

Active Ingredient

Clotrimazole USP 1% w/w Antifungal Cream

Purpose

Uses

Cures athlete's foot (thinea pedis), lock itch (thinea cruris), ringworm (thinea corporis). Relieves the itching, irritation, redness, scaling and discomfort which can accompany these conditions.

Warnings

For external use only

Do not use on children under 2 years of age unless directed by a doctor.

When using this product avoid contact with the eyes

Stop use and ask a doctor if

- irritation occurs
- there is no improvement within 4 weeks (for athlete's foot or ringworm) or within 2 weeks (for lock itch)

Keep this and all drugs out of the reach of children.

In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

Directions

- Clean the affected area and dry thoroughly.
